SUMMARY

UX/UI Designer with 2+ years of experience designing e-commerce products that convert. Specialized in Shopify/WooCommerce UX flows and scalable Figma design systems. Proven track record across agency, product, and startup environments. Currently completing an MA in Strategic Design Management at IED Barcelona.

EXPERIENCE

UX/UI Designer, 07/2025 - 01/2026 Frankfurt, Germany (Remote)

Admirise Digital Performance Agency

- Designed end-to-end Shopify/WooCommerce UX flows (navigation, PDP, cart, checkout) resulting in measurable funnel improvements
- Implemented WCAG 2.1 accessibility standards across all touchpoints
- Iterated designs using analytics and heatmaps, aligning UX with marketing funnels to optimize conversion paths
- Conducted competitor and heuristic UX analyses; created user journeys, personas, and task flows
- Created token-based Figma component libraries that reduced developer handoff time significantly
- Collaborated with developers on edge cases and design handoff documentation to ensure seamless implementation

Product & Visual Designer, 09/2023 - 05/2025 Istanbul, Turkey

Elysee Playgrounds

- Designed user-centric physical product interfaces, transforming requirements into high fidelity visuals
- Created detailed 3D representations (Rhino/KeyShot) to support UX-led decision making and accelerate stakeholder feedback cycles
- Analyzed user interactions between parts and interfaces to improve assembly flows and enhance user experience
- Developed visual design concepts and interaction diagrams from requirements to guide product development
- Created design documentation to facilitate faster prototyping and ensure cross-team alignment
- Evaluated products for usability and ergonomics; collected feedback and iterated prototypes
- Prepared specification sheets, visual guidelines, and coordinated feasibility with engineers

UX/UI Designer Intern, 07/2023 - 08/2023 Istanbul, Turkey

DFDS

- Conducted user research and usability testing to validate prototypes and inform design decisions
